Dear Mr. Millikin:-

Could I have a brief word from you as to how the Peace Medal has been selling in Baltimore? I had word from one of our members, who lives in your city, telling me that you made a most attractive, privacy display for the medal.

I hope that it has borne fruit worthwhile. My inquiry is primarily designed to prepare for a further supply should you need them.

Very respectfull yours,

Secretary..

Dear Mr. Milliken:-

Your letter of July 21st is at hand and I am sorry that you have not had more success with Peace Medal. I fear that interest had very largely waned by the time the peace was signed. None of the firms who have undertaking the sale have been able to return a satisfactory report.

These matters are slight however, and I do not yet consider the possibilities of sale gone. I would suggest that you return five of the ten medals sent you keeping the balance a month or so longer.

Very respectfully yours,

Secretary..
